¹ Pursuant to the JRA, the 2-year mandatory minimum for the subsequent unlawful distribution, manufacture, etc. of non-narcotics (CR, § 5-607(b)) is repealed from the laws of Maryland. The current penalty for the unlawful distribution, manufacture, etc. of non-narcotics, outlined in CR, § 5-607(a), will remain in effect on and after October 1, 2017 for both first-time and subsequent offenders.

² The JRA increases the amount of crack cocaine to be the same as the amount of powder cocaine that is required to trigger enhanced penalties for defendants convicted under CR, § 5-612 (i.e., 448 grams). Otherwise the penalty for a violation of CR, §5-612 remains the same.

Sentencing Enhancement	Source	Application of Enhancement
Subsequent Offender Enhancement	CR, § 5-905	<p><u>No change to the sentencing guidelines</u></p> <p>Currently, a defendant convicted of a subsequent drug crime, under Title 5 of the Criminal Law Article, is subject to a term of imprisonment twice that otherwise authorized; twice the fine otherwise authorized; or both (CR, § 5-905). The JRA limits the application of CR, § 5-905 for a defendant whose prior and subsequent convictions were for a violation of CR, §§ 5-601 through 5-606 to a defendant who was also previously convicted of a crime of violence as defined in CR, § 14-101. CR, § 5-905 is referred to in the Maryland Sentencing Guidelines Manual as the “doubling enhancement,” and allows for the calculated guidelines range to be doubled for a defendant convicted of a subsequent drug offense under CR, § 5-905.</p>
